

# PLAYERS GUIDE TO THE POKERLISTINGS BATTLE OF MALTA

## Congratulations!

You're receiving this guide because you won or purchased a package to the 2013 Battle of Malta!

This guide will help you settle into the tournament and walk you through your arrival, check-in and registration.

Should you encounter any difficulties do not hesitate to contact us at [battleofmalta@pokerlistings.com](mailto:battleofmalta@pokerlistings.com).

## Arrival in Malta

Upon your arrival to Malta International Airport (MLA), our official Battle of Malta driver will be waiting for you. He will carry a very visible BOM sign.

Our driver will take you to the Hilton or Corinthia hotel for your check-in and registration to the tournament.

Please be sure to email us your itinerary to coordinate pick up and drop off.

## Check-in at the Hilton and Corinthia Hotels

Upon arrival at the Hilton or Corinthia kindly proceed to check-in at reception. Your name will suffice for registration and staff members (identified with BOM badges) will be on site to assist you.

During check-in you will be handed a **Battle of Malta Player Kit**, which contains information you will need during your stay.

The Battle of Malta Player Kit contains:

- Calendar of Events
- Silicon wristband to be used for Opening Cocktail Reception and VIP Opening Party
- Map of locations
- Other useful information

Once you are checked in, we strongly suggest you take a short walk to the Portomaso Casino and register as you will need the registration card every time you enter the casino.

## Registration at the Portomaso Casino

First-time visitors to the Portomaso Casino need to present a valid picture ID for age verification. Players will then be given a casino ID card and bracelet - which identifies them as a Battle of Malta participant.

Tournament registration will be held in the tournament area. You will be directed to a registration desk where you can register for the main event or any side event.

We encourage all participants to register as soon as they arrive, so as not to miss any of the action included in the package.

## Main Tournament

The 2013 Battle of Malta No-Limit Texas Hold'em poker tournament has a €200,000 guaranteed prize pool.

Days of play will be assigned randomly but if due to your flight arrangements you cannot play Day 1A, please send an email to [battleofmalta@pokerlistings.com](mailto:battleofmalta@pokerlistings.com) with a copy of your itinerary so we can include you in the Day 1B group.

This will be assigned on a first-come, first-served basis and for situations where flights arrive in Malta on Thursday the 26th later than 13:00 hrs.

Players eliminated on Day 1A may re-enter that same day or start fresh on Day 1B. Those who bust out on Day 1B can also re-enter but only during the registration and late-registration period (4 hrs.). *Only one re-entry per player is available.*

## Side Events

PokerListings will host a series of exciting Side Events including a super high roller event, which will be announced in future communications, and a Second Chance event.
